FOR ALL YOUR GREEN VIDEO AND MEDIA SOLUTIONS

39870 CAMDEN COURT

March 23, 2020

To our JDS Family,

The health and wellness of our staff, clients, actors and creators continues to be the highest priority for JDS Studios, JDS Video & Media Productions Inc., JDS Actors Studio and non-profit JDS Creative Academy. Beginning **Friday, March 20, 2020, JDS Studios has been closed to the public.** A re-opening date is to be announced.

Part of our business is considered an essential business per the Governor's order. We are a Media company that provides local news and information via TV, online and radio. In addition, we provide psychological support services to a Special Needs population that relies on us for support.

As we closely monitor the COVID-19 (Coronavirus) outbreak JDS Inc. & JDSCA will be working, mostly remotely from our homes and then when we need to go live to our Community - our skeleton crew (always maintaining 6 ft.) will go into the studio to put out our news and information programming; Spectrum of Innovation, SWIET SPOT NEWS and some JDSCA Social Updates in lieu of our training's crew SOI Update.

We continue during this temporary studio closure to take additional steps beyond regular hygiene and cleaning practices by disinfecting and sanitizing our studio as thoroughly as possible.

Our JDS Family deeply values connection, and acknowledges that this is a challenging time for our local community and for our world. Therefore, we are also putting into place ways to stay in contact; creating virtual classes for our SOI training crew, our JDS Actors, and our JDSCA musical theater & design students.

Keep up with our social media, engage with our posts, feel free to call us with any information you would like to share, and we will be emailing regularly. In addition, Community, stay tuned to our videos we will be putting out and the video engaging we have planned with You, our Clients and JDS Actors!

DigiFest Temecula has been rescheduled to August 21, 22, 23, 2020. We will reopen competition submission for 3 weeks this summer. More information coming soon.
